About Global Village Champions Foundation: Global Village Champions Foundation, which was established in 1995, strives to become the undisputed world leader in private humanitarian delivery of nutrition to needy persons across the globe while sustaining human life and helping to eradicate hunger from the face of the earth. With the help of donors and notable figures such as Muhammad Ali, Gary US Bonds and Evander Holyfield, the non-profit has succeeded in providing desperately needed food to the hungry worldwide. The charity expanded its mission to include rescuing refugees who fled to Bulgaria to escape the ongoing Syrian war crisis.

There will be a NVBHOF Boxing Legends Memorabilia Exhibit on display on Friday and Saturday with a special attraction featuring world-renowned artist **NICOLOSI** unveiling a magnificent piece for auction to benefit the charitable causes.
