Dear Mr. Barry;

Please accept our deepest appreciation for your recent donation of a container filled with chicken & beef flavoured Vitapro dehydrated vegetable protein. This generous contribution will allow us to provide hot nutritious meals to the children of the dumps and their families for months. Your second container filled with blankets, clothing and sleeping bags as well as a pallet loaded with Coleman camp stoves is truly an answer to prayer.

As you know, the majority of the people who we help daily pick through the garbage at the dumps in order to survive. Your Global Village shipment will undoubtedly change the lives of some precious children and their families. God bless you for your kindness and generosity.

Sincerely,

Sister Suzie Valadez
