

CHERNOBYL CHILDREN'S PROJECT (UK)

Receipt for your donation to Chernobyl Children's Project (UK) Jan. 26, 2012

Hello Yank Barry,

This message confirms that we have received your donation to Chernobyl Children's Project (UK)

Chernobyl Children's Project (UK) was launched in Manchester in 1995. Our head office is in Glossop and we have around 20 local groups across the UK.

Every summer we provide month long [recuperative holidays](#) in the UK for about 250 children from Belarus. For children who cannot come to the UK, we organise a [holiday camp](#) in a clean part of Belarus in August.

CCP (UK) delivers four convoys of [humanitarian aid](#) to Belarus every year. We also purchase urgently needed medicines for the [Children's Cancer Hospital](#) in Minsk and support the [Children's Hospice Movement](#).

During the last ten years we have had a major [training](#) programme which has helped to reduce the numbers of children in the orphanages and to prepare suitable local foster families.

Much of our work focuses on improving the educational and social opportunities for children and young people with disabilities. We fund extra staff at [Zhuravichi Orphanage](#), have set up small family homes for children and young adults, established the first respite care facility in Belarus and we are promoting [integration](#) of children with physical disabilities into mainstream school.

Thank you Yank Barry for your generous donation. With your help, we can continue to;

Support children with disabilities living in institutional care.

Provide life-saving medicines for children with cancer.

Improve health care for children living in contaminated regions
