Dear Sir,

We would like to express our sincere gratitude for your generosity, by donating 3,000 kg. of Vita Pro vegetarian type beef flavor textured soy protein mix to us. We utilized your donated gift in support of the practice of meditation, in pursuit of inner peace and world peace.

We would also like to convey our appreciation for your contribution to creating a better world, such an act of generosity and support cannot go unnoticed. You have done a great service to humankind by providing millions of meals to hungry people and fostering an atmosphere of hope for a better future. Your vision and practical approaches has brought changes to the world and inspired millions. We hope that we can continue to work together until sustainable peace and happiness become reality.

May you achieve success in your work and may peace prevail on earth.

Very Truly Yours,
