Dear

Please accept our heartfelt appreciation for your contribution in support of the International Federation of Red Cross and Red Crescent Societies.

The International Federation and its 186 member National Societies are committed to assisting the world's most vulnerable people through programmes in disaster response, disaster preparedness and health and community care activities. We depend on people like you to be able to provide effective and sustainable aid, and your donation will help us to truly make a difference in the lives of our beneficiaries.

On behalf of our 97 million Red Cross and Red Crescent members and volunteers around the world who are joined together through the shared value system of the power of humanity, welcome to the International Federation's family of friends and supporters.

Again, thank you for your kindness and generosity.
