Nassau, The Bahamas.

January 5, 2006.

Dear Mr. Barry,

On behalf of the teachers, parents and students of the Centre for The Deaf, I write to thank you for the donation that was presented to our school at the Children's party held at the Crystal Palace.

This event has become very significant in the lives of our hearing impaired students, their teachers and parents. As always the students enjoyed the party. They appreciated the entertainment, gifts and donations. The positive response from the children staff and parents confirmed that it was worth it all.

Once again, thanks for your interest and care for the special children in the Bahamas. May God continue to bless you and your business.

Sincerely,

Tessa Nottage (Mrs.)  
Principal
