**Dear Mr. Barry:**

Thank you for your generous donation of soya product. With your donation we were able to meet the starving needs of thousands of Mozambique people left destitute by the floods.

I am attaching our distribution report on several shipments that we received, your soya product being one of them.

It will take many years to try and recover and meet even the basic needs destroyed by the floods, however, with help from kind people like yourself and the Global Village Champions we will bring a new day of hope to many.

Sincere gratitude,

**Gren Burgess
