Dear Mr. Barry

We would like to thank your company and Muhammad Ali for the generous donation equivalent of 300 thousand meals.

We at Montreal Harvest must count on the collaboration of many companies to help provide an adequate support to over 200 agencies benefiting from our services and directly helping people in difficulty in the metropolitan region.

You can rest assured that your donation has been highly appreciated and it is not only in our name but also on behalf of those agencies that we express our gratitude.

We would like also to invite you to reiterate your support when you will have other surpluses you want to part with.

We thank you for the interest you show for our organization and the support you provide to our needy fellow-citizens.

Hoping to hear from you soon.
