Thank you for your gift to Action Against Hunger

Dear Yank Barry,  
Thank you for your gift and for sharing our conviction that deaths from starvation should be as rare as they are tragic.

In 2011, we helped some 6 million people in desperate need, including over 850,000 in East Africa, where a once-in-a-generation drought caused the United Nations to declare famine conditions this fall. We were one of the only organizations working on the ground in Somalia, where conditions were worst due to a combination of extreme drought and political instability. We don't know where we'll be needed in 2012, but your support ensures that we will be able to help when called upon. On behalf of our staff and beneficiaries, thanks again!  
Sincerely,

Nan Dale  
Chief Executive Officer
