

October 19, 2011

Dear Yank Barry,

Thank you for your donation on behalf of Global Village Champions Foundation. Your donation has been directed to our general fund at your request.

Still reeling from devastation wrought by typhoons Pedring (Nesat) and Quiel (Nagail), the country braces itself for another tropical storm Ramon (Banyan) which continues to threaten the country with more rains and destruction.

The Philippine Red Cross works without letup providing relief aid to typhoon-stricken families in worst-hit provinces in Northern and Central Luzon with the participation of the Red Cross 143 volunteers (44 trained volunteers in every barangay- one leader and 43 members), and with the support of the International Federation of Red Cross and Red Crescent Societies (IFRC), corporate partners and other local donors such as yourself.

We invite you to join us by visiting our <http://www.redcross.org.ph/> web site and stay informed concerning our programs and relief work. Through your generosity, we can stand prepared for disasters. We appreciate your continuous and unwavering support. Thank you.

PHILIPPINE RED CROSS
