Mr. Yank Barry,
Chairman
Global Village Champions Foundation
Nassau, The Bahamas

Dear Mr. Barry,

The Disaster Relief team is deeply grateful for the emergency airplane load of water, medical supplies, rice, beans and Vitapro. Global Village Champions Foundation and yourself will help many Haitian people as a result of your determination to bring useful aid when we need it most. It was my pleasure to assist you in getting these supplies to people who need them desperately as a result of the recent earthquake.

Received with gratitude.

Yours truly,

Claude Surena

Chairman Disaster relief Comitee
